i.   <u>History of Institution:</u>

Teacher Training College (TTC), a premier institute of education recognized by National Council for Teacher Education as well as Ministry of Human Resources Development, Govt. of India & Govt. of Bihar with affiliation from Magadh University, is located in Gaya, the land of Lord Buddha. It offers teacher training programmes for various levels ranging from Diploma in Education, Bachelor of Education and Master in Education Programmes. It is proposed to be in the process of being accredited by the National Assessment and Accreditation Council (NAAC).

Er.Awadhesh Kumar, the Founder & Chairman as well as a down-to-the–earth social worker of the Group in the name and style BIT GROUP OF INSTITUTIONS initiated the work of the college in BIT Campus in the year 2004. Keeping in view the states like West Bengal, Odisha & other adjoining states of eastern region we come across the fact of having a great scarcity of trained teachers to cater to the vacancies in both Govt. & Private sector. Hence to fulfill the noble objectives of Teacher Training Programmes in these areas the institute opted for developing as well as implementing the student-teacher concept, competencies, attitudes & skill related programmes with appropriate curricula duly designed on child-centered activities & play based approach.

With a humble beginning in the year 2004, TTC has become a resource centre in education due to its prominent achievements in teacher training, research, seminars, conferences, workshop, career counseling, orientations, extension services, co-curricular activities and add-on courses. The alumni of the college are placed in esteemed educational institutions of state, national and international repute.

ii.   Vision Statement:

To emerge as a centre of excellence in teacher education

iii.   Mission and Objectives:

- To provide experience-based learning for multifaceted development.
- To set standards for professional preparation of educational leaders.
- To foster innovative and responsible integration of technology in education
- To instill the spirit of inquiry through research & development
- To uplift career education through honorary career counseling programs in urban as well as rural areas

iv.   Significant Achievements and contributions in the field of Education such as Awards/Recognition, Eminent Alumni etc.
Significant Achievements, if any –

All most, trained teacher students are placed in Government and private organization. They are getting award / recognition from Government for their distinguished work.
